Travel Information

Travel grants reimbursement program
NAUDL will reimburse pre-approved airfare/rail fare/other transportation for one league staff person, two debaters and one coach. Leagues are responsible for the travel costs associated with a second team and their coach. NAUDL will get travel budgets to leagues the Monday after their qualifier. Leagues are responsible for making their travel arrangements by the Tuesday after their qualifier and submitting receipts to NAUDL.

NAUDL will arrange the hotel block for two teams, two coaches and a league staff person for each league. A league representative will need to place a credit card on file at check-in for incidentals with their hotel stay. NAUDL will invoice leagues for housing and meal costs associated with bringing their second team and additional coach to the tournament and net this invoice against the league's travel grant check.

Booking your flights
You should not book flights until you have submitted the names of your UDNC competing teams and coaches and NAUDL has confirmed that those students and coaches are eligible to participate in the tournament. We will not reimburse travel costs for students who were not eligible to enter the tournament.

As soon as your league determines the students competing in UDNC and their coaches, and receives the pre-approved travel budget from NAUDL, each league is responsible for booking and paying for all flights to Dallas, TX.

Where possible, NAUDL strongly encourages leagues to book flights the Tuesday immediately following their qualifying tournament. Leagues that book flights after this time will be responsible for covering any costs over the pre-set budgeted travel grant amount.

Submit copies of all travel receipts and forms
Once you have purchased your league’s tickets, complete and submit the league registration form. This includes a link to upload your receipts directly to Box. All receipts must be uploaded to receive reimbursement.

Travel reimbursements cannot be issued without receipts. Reimbursements will not be processed until all tournament requirements are met including league/team registration and media releases.

Additional travel expenses, or travel costs for any additional league staff, board members or coaches must be covered by the League.

Arrive in Dallas on Thursday
You should plan to arrive in Dallas on Thursday, March 30th. Leagues who arrive before 4pm should plan on registering for the tournament at the hotel on Thursday. Leagues that arrive after 4pm will not need to register for the tournament until Friday morning at SMU.

Hotel Check-In
A league representative will need to provide a credit card on file for incidental charges associated with the rooms you and/or your debaters stay in.

If you need an early check-in leagues will need to arrange that directly with the Hilton Dallas Park Cities.

Tournament Registration
You can either register your team at the Hilton Dallas/Park Cities before 4 pm on Thursday or on the SMU campus at 9:30am on Friday morning. Shuttles to SMU will begin at 9 am.

Departure on Sunday
The final round of the tournament will end by 6 pm on Sunday April, 2nd. The UDNC is an opportunity to support other students engaged in debate, learn from other teams, celebrate the successes of peers, and build community. Leagues are strongly encouraged to schedule their departure Sunday so that they may compete in and/or observe elimination rounds.
Travel Information

Budgeting for the trip
While NAUDL covers many expenses during the weekend, we cannot cover all costs. Please remember the following when budgeting for the event.

Costs
- NAUDL covers transportation to and from Dallas, TX, lodging, meals at events and tournament fees for one team, one coach and one league staff person.
- Air travel for additional competitors and adults, as well as travel to and from the airport or train station is the responsibility of the league. This cost will include travel for a second team of two debaters and one coach, plus lodging and tournament provided meals. Final costs will be invoiced to your league.

Meals provided by NAUDL
- Breakfast at the Hilton Dallas Park-Cities every morning.
- Friday and Saturday lunch at SMU.
- Friday and Saturday dinner at SMU.
- Sunday lunch at SMU for elimination round participants and judges.

Authorization for Student Participation
Leagues are responsible for securing appropriate authorization for student participation in the UDNC.

Authorization requirements for out-of-state travel vary by school system. Please be advised that obtaining appropriate clearance can sometimes take longer than expected. Please initiate the process of seeking approval for travel from all appropriate parties as soon as possible, perhaps even before selecting specific participants. Please let us know as soon as possible if insurance waivers or other event information is required from the national office to ensure your debaters can attend.

The Urban Debate National Championship is an approved contest for students by the National Association of Secondary School Principals (NASSP).

Student Supervision
Please be aware that participating coaches and school system-designated chaperones are fully responsible for student supervision during their visit to Dallas, TX. NAUDL cannot provide supervision in the tournament hotel, tournament site, or other public or private venues.

Participants are strongly encouraged to take typical precautions when traveling to a large metro area (e.g., travel together in groups, never alone; lock hotel room doors and keep valuables secured). Security and supervision is solely the responsibility of participants, not NAUDL.

All participants are expected to comply with rules, regulations, or guidelines established by their local school systems. More generally, participants should comport themselves in a manner that reflects positively on their school, league, and NAUDL, as well as event sponsors. NAUDL has zero tolerance for any infraction of the law or of local codes and will report any and all such violations to school system officials and other local leadership.

Tournament Information

Team Selection Criteria

Each invited league will receive up to two entries for high school debate pairs to compete in the at the Urban Debate National Championship. It is the league's responsibility to select competing teams. As you consider selection criteria, we recommend looking for hard-working and dedicated students who will give their all to the event.

Teams must consist of students who attend the same school. Qualifiers must have participated in at least one league sponsored tournaments during the current academic year. Our objective is to assemble the most dedicated debaters who participated in the urban debate network this year.

An additional entry will be reserved for the Debater of the Year and their partner if they have not already qualified. Debaters competing in additional slots must also meet the qualification requirements for the tournament. If there is an uneven number of teams entered, the Dallas Urban Debate Alliance may be offered a third spot to ensure a balanced number of entries. Debaters competing in any of these additional slots must meet qualification requirements for the tournament.

Entry Deadlines

- NAUDL will invite schools to the tournament on Tabroom.com based on qualifier information provided by leagues. Coaches can enter competitors and judges, but entries are not considered complete until all supporting forms and documents are received.
- All coaches listed on the entry forms will be entered into the judging pool
- All teams, coaches and administrators must finalize their registration on Tabroom.com no later than 5:00 pm Central Time on February 27th, 2023.
- If changes or updates need to be made after entry forms are complete please email Luke Hill (lukehill@urbandebate.org)

Topic and Format

- Students will debate the national high school policy debate topic for 2022-23
  - Resolved: The United States federal government should substantially increase its security cooperation with the North Atlantic Treaty Organization in one or more of the following areas: artificial intelligence, biotechnology, cybersecurity.
- Tournament rounds will follow the 8-3-5 cross-examination debate format with 8 minutes of preparation time allocated to each team during the debate.

Preliminary Rounds

- Each team will compete in 6 preliminary debates, after which the top 16 teams* will participate in elimination rounds. (See the note about division sizes and the number of elimination rounds below).
- Teams from the same league will not debate against one another in the preliminary debates.
- Preliminary debates will be assigned one qualified judge.
- Round Pairing Procedure:
  - Rounds 1-2 will be randomly pre-set respecting league blocks.
  - Round 3-6 will be power matched high-low off the results of all previous debates at the time of pairing.
Elimination Rounds

- A minimum of three judges will adjudicate each elimination round.
- The top sixteen seeds will advance to an Octo-Final Elimination Round. Seeding will be based upon:
  - (1) wins
  - (2) high-low adjusted team points
  - (3) total team points
  - (4) opponents' wins
  - (5) drop double high-low adjusted team points

- Teams meeting in Elimination Rounds who already debated in the preliminary rounds will switch sides for the Elimination Round; otherwise Elimination Round sides will be determined by a coin flip.
- Elimination round brackets will not be broken for teams from the same school or league.
- Teams from the same league may debate each other in the Elimination Rounds. The national tournament is intended to be an education activity to all who participate. For this reason, if two teams from the same league are assigned to debate against each other in an elimination round, they will be required to debate. Coaches and league staff will not choose the team which advances to the next round. If two teams from the same school meet in Elimination Rounds the coach may determine who advances.

Awards

The top 20 individual speakers will receive awards based on speaker points. The tie breaking procedure is:

1. high-low adjusted points
2. total points
3. ranks
4. judge variance (average z-scores)

Awards will be presented to all teams who qualify for the elimination rounds.

Each student qualifier will be presented with a qualification certificate.

Judging

Providing Judges
Judges must be active in an urban debate league judging or serving as tabulation staff for more than one tournament during the current academic year.

- Each team entered in the event requires a judge available for all preliminary rounds.
- Each entry will obligate their judge for 3 preliminary rounds.
- All coaches present must be in the judging pool.
- All judges will be committed for one round after your team is eliminated.
- For teams that do not clear to elimination debates, judges are obligated through the first elimination debate on Saturday night.
- Donated rounds by league staff are appreciated and should be noted on the League Registration form.
- Rounds are not available for hire.
- Judges will not adjudicate teams from leagues with which they are affiliated; please alert Luke Hill of all entries outside of your league that a judge should be precluded from hearing.
- All judges must complete a background check:
  - School district employees can provide proof of employment or background checks
  - NAUDL has partnered with Sterling Volunteers to offer an online background check service at a reduced price
  - NAUDL reserves the right to remove any attendee from the tournament or judging pool who are a risk to competitors or violate the Youth Protection Policy.

Coaching Responsibilities
All coaches attending the tournament will be entered in the judging pool unless exempted by the Tournament Director. Exemption requests must be approved prior to February 27th.

If a coach is exempted from the pool that does NOT eliminate the need for that team to bring a qualified judge to the tournament. Any coach receiving an exemption from the judging pool must specify an additional adult who meets all of the judging and background check requirements who will be fulfilling their team's judge obligation prior to strikes opening.

If a coach is assigned to judge a round and does not appear to judge that round, their team(s) will forfeit that round.
Completing the Ballot

- Each judge is required to declare one, and only one, winner and one, and only one, loser in each debate assigned by the tabroom.
- Compliance with this rule requires each judge to complete an official judge ballot provided by the tabroom.
- Completion of the ballot requires the judge to clearly designate “affirmative” or “negative” to signify a winning team.
- Judges will also be required to confirm their choice by indicating the designated winner’s school affiliation. The side “affirmative” or “negative” and school affiliation must match the assignments made by the tab room.

Speaker Points

Judges are required to assign speaker points and speaker ranks to each participant in the debate. Speaker points are accepted in increments of 0.1 from a minimum of “0” to a maximum of “30”. Tied speaker points will not be accepted. Speaker ranks are accepted in whole numbers only from “1” to “4”.

Judges must submit a ballot that meets these requirements no longer than two hours after the scheduled starting time for each round.

Revealing Decisions

- Judges may reveal decisions after a ballot has been submitted to the tab room.
- Judges are expected to give substantive oral critiques of about 5-10 minutes in length.
- Judges are expected to fill out written ballots that will be shared with the students after the tournament.
- Decisions of all elimination round debates will be announced by the chair of each panel when all ballots have been collected.

Judge Philosophy

- Judges must have a judge philosophy posted to Tabroom.com by Friday March 24th.
- A judge philosophy may include a judge’s thoughts on debate style, presentation speed, familiarity with the topic and debate argument preference.
- Students should adapt to the available judging pool.
- A team represented by a judge without a publicly available judge philosophy will forfeit each round until a philosophy is made public. A sample judge philosophy can be found here.
Code of Conduct

2023 Urban Debate National Championship

The Urban Debate National Championship, hosted by the National Association for Urban Debate Leagues showcases the best urban debaters from across the country. At the virtual tournament, we celebrate the continued growth of urban debate and seek to display wide array of both geographical and argument diversity. In recognition of this, the Code of Conduct seeks to provide a useful baseline of expectations for all participants to ensure a rewarding experience for all. The following Code is applicable throughout the tournament weekend, in all venues, including online and on social media.

Violations of the Code of Conduct should be reported to the Tournament Director. The Tournament Director and an advisory committee of League Directors will decide the appropriate action including, but not limited to forfeiture of rounds or removal from the tournament. Debaters, educators, schools, and leagues recognize debate as a powerful, educational activity built upon the ideals of respect, community, and civil discourse. All actions and decisions during a tournament seek to promote these ideals, and ensure a positive learning environment for all participants, judges, and observers.

**DEBATERS REPRESENT THEIR SCHOOL.** All relevant rules and regulations of their local school district will apply during their time at the tournament location and related events.

**DEBATERS SHOULD BE GOOD COMPETITORS.** It is the duty of each debater to participate honestly and fairly. Debaters should respect all competitors, coaches, judges and audience members.

**BULLYING AND BEHAVIORS WHICH BELITTLE, DEGRADE, DEMEAN, OR OTHERWISE DEHUMANIZE OTHERS ARE NOT PERMITTED.** These actions are not in the best interest of the activity because they interfere with the goals of education and personal growth.

**DEBATERS SHOULD RESPECT THE EDUCATIONAL ROLE THAT JUDGES PROVIDE THE ACTIVITY.** Debaters who engage in a dialogue with a judge after a round should maintain a respectful demeanor. Discussions should focus on understanding the decision of the judge and improving the debater's performances in future rounds. Remember the post round is an opportunity to learn, not deliver your final rebuttal.

**DEBATERS SHOULD NOT PLAGIARIZE.** Claiming another's written or spoken words as one's own is plagiarism, a very serious offense against responsible scholarship. Evidence used in a debate should be properly attributed to the author verbally during the debate. Debaters should be able to provide, within a reasonable time, complete documentation of all evidence presented. Documentation includes: name of author(s), source of publication, full date, page numbers and author(s) credentials when available in the original when challenged. Evidence that is not attributed adequately should be disregarded by judges.

**DEBATERS VALUE COMMUNICATION AND SHOULD PRESENT ARGUMENTS AT A RATE THAT CAN BE UNDERSTOOD BY THEIR ASSIGNED JUDGE.** Debaters should not “clip” cards. All evidence entered in the debate should be clearly marked as to what parts of the evidence were and were not presented during the round for review by opponent and judge.
Youth Protection Policy

Introduction
The National Association for Urban Debate Leagues (NAUDL) and its local league affiliates are vigilant about creating the most secure environment possible for our young debaters. To maintain such an environment, it has developed the following procedures.

Required Reporting
There are two types of scenarios requiring reporting:

1. When you witness child abuse or neglect, or suspect a child has been abused or neglected (see "Mandatory Report of Child Abuse" below).
2. When you witness a violation of the urban debate leagues' Youth Protection Policy (see "Reporting Violations of Urban Debate Youth Protection Policies" below).

Mandatory Reporting of Child Abuse
All persons involved in urban debate shall report to local authorities any good-faith suspicion or belief that a child is, or has been, physically or sexually abused; physically or emotionally neglected; exposed to any form of violence or threat; or exposed to any form of sexual exploitation, including the possession, manufacture, or distribution of child pornography, online solicitation, enticement, or showing of obscene material. You may not abdicate this reporting responsibility to any other person.

Steps to Reporting Child Abuse
1. Ensure the child is in a safe environment.
2. In cases of child abuse or medical emergencies, call 911 immediately.
3. In addition, if the suspected abuse is in the urban debater's home or family, you are required to contact the local child abuse hotline.
4. Notify the urban debate leagues' Executive Director or their designee.

Reporting Violations of the Youth Protection Policy
If you think any of the urban debate Youth Protection Policies have been violated, including those described within Urban Debate's Barriers to Abuse, you must notify your local league's Executive Director or their designee so appropriate action can be taken for the safety of our debaters.

Urban Debate's Barriers to Abuse
National Association for Urban Debate Leagues has adopted the following policies for the safety and well-being of the members of it's community. While these policies are primarily for the protection of youth members, they also serve to protect adult participants.

Minimum two-deep leadership on all outings required. Two registered adult coaches, or one registered coach and a parent of a participating debater or other adult, one of whom must be 21 years of age or older, are required for all trips and tournaments. Appropriate adult leadership must be present for all overnight debate activities. Coed overnight activities, even those including parent and child, require male and female adult leaders, both of whom must be 21 years of age or older, and one of whom must be a staff member of the urban debate league.

One-on-one contact between adults and youth members is prohibited. In any situation requiring a personal meeting, such as a debater/coach conference, the meeting is to be conducted in view of other adults and youths.

Separate accommodations for adults and debaters is required. When traveling, no youth is permitted to sleep in the hotel room of an adult other than his or her own parent or guardian.
Privacy of youth respected. Adult leaders must respect the privacy of youth members in situations such as changing clothes and taking showers, and intrude only to the extent that health and safety require. Adults must protect their own privacy in similar situations.

Inappropriate use of cameras, imaging, or digital devices is prohibited. While most debaters and coaches use cameras and other imaging devices responsibly, it has become very easy to invade the privacy of individuals. It is inappropriate to use any device capable of recording or transmitting visual images in restrooms or other areas where privacy is expected by participants.

No secret organizations. Urban debate leagues do not recognize any secret organizations as part of its program. All aspects of the urban debate program are open to observation by parents and leaders.

No hazing. Physical hazing and initiations are prohibited and may not be included as part of any debate activity.

No bullying. Verbal, physical, and cyber bullying are prohibited in urban debate.

Youth leadership monitored by adult leaders. Adult leaders must monitor and guide the leadership techniques used by youth leaders and ensure that urban debate policies are followed.

Discipline must be constructive. Discipline used in urban debate should be constructive and reflect urban debate’s values. Corporal punishment is never permitted.

Members are responsible to act according to the law. All members of the urban debate league are expected to conduct themselves in accordance with the principles set forth in the federal, state, and local laws. Physical violence, theft, verbal insults, drugs, and alcohol have no place in the urban debate program and may result in the revocation of a debater’s membership.

Leagues are responsible to enforce Youth Protection Policies. League leaders are responsible for monitoring the behavior of youth members and interceding when necessary. The parents of youth members who misbehave should be informed and asked for assistance.

Mandatory reporting of child abuse. All involved in urban debate are personally responsible to immediately report to law enforcement any belief or good faith suspicion that any child is or has been abused or exploited or endangered in any way. No person may abdicate this reporting responsibility to any other person.

Social media guidelines. The policy of two-deep leadership extends into cyberspace. Another adult leader should be copied on any electronic communication between adult and youth member.

Violations of any of these Youth Protection Policies must immediately be reported to the Executive Director of NAUDL or their designee.
